TRAVEL CHECKLIST

Grandes Villas de France helps you prepare for departure by offering this travel checklist with 1.001 thing to remember.

This travel checklist includes:

- 🏡 What you need to check before leaving (home, vehicle, insurance)
- 🏡 The essential documentation
- 🏡 The contents of your luggage
- 🏡 A basic travel medication pack
- 🏡 Indispensable equipment

Before departure

- 🏡 Make a list of valuables (computer, jewellery, ...). Take a picture of them and send them to your e-mail address.
- 🏡 Let your neighbours/friends/family know about your departure. Leave them a key so they can gather the mail, open the shutters, water your plants.
- 🏡 Organise care of your pets if you're not taking them with you.
- 🏡 Insurances: Request your travel and breakdown insurance sufficiently in advance; check the validity of your green card (vehicle)
- 🏡 When travelling by car: provide for a complete car maintenance; check the highway code of your country of destination (triangles, safety vests, ...)

Day of departure

- 🏡 Take out the dustbins
- 🏡 Turn off the gas
- 🏡 Water the plants

 Disconnect the electricity plugs and switch off all electrical appliances

Documentation

- 🏡 Valid identity card or passport
- 🏡 If you're travelling with children: the kids-ID or authorisation for children for whom you are not the parent or legal guardian (to be validated by your district's local government offices)
- 🏡 Visas, authorisation to leave the territory
- 🏡 Driving licence
- 🏡 Vehicle documents, if you're travelling by car (green card or other insurance document, ...)
- 🏡 Transport tickets: tickets for plane, train, ferries, ...
- 🏡 Accommodation: rental documents for a villa or apartment, hotel reservation
- 🏡 Telephone number of your insurance and assistance firm

Make photocopies of all these documents and pack them in a piece of luggage different from the originals. You can also scan them and send them to your own e-mail address. In the event of loss or theft you can easily perform the necessary procedures.

Means of payment

- 🏡 Check that you have means of payment accepted in the country.
- 🏡 It's the best to have several options, f.e. a card with Maestro logo, a credit card and cash
- 🏡 If you think you will need it, request a temporary increase to your credit card spending limit.
